

GOOD NEWS for those who are still thinking about going to Hawaii next year —
It's not too late to register for camp !

THE WORD TEACHING MINISTRY Family Bible Conference
The Word Still Works!
Oahu, Hawaii, September 12 – 17, 2010

The response to our first announcement was tremendous, and since many campers have paid in full, the deposit for our reservation at **Camp Mokule'ia** is paid. God is good. We're now able to extend the time limit for others to register (but don't wait too long, the lodge is filling up).

We're keeping registration open for 3 months (or until we reach capacity).

Send in your registration by **January 25, 2010** using the form below.

The Camp Mokule'ia campground is on Oahu's North Shore, 9 acres with a mile-long gold-sand beach and ocean-front lodge. The Word to be served at camp is also golden – we'll study how the

“WORD continues to work in you who believe”.

(I Thess. 2:13 NLT)

Peter Wade, whose teachings seem to always hit the mark, will cover these topics, setting the scene for each full day of the conference:

Righteousness – The Bible mentions two kinds of righteousness, and your actions today are influenced by one or the other. Learn why this is critical to stress-free Christian living.

Health – God has a health care plan that's second to none. Has the Church forgotten the link between holiness and health? Let's get back to the basics.

Prosperity – God never said He wanted all His children to drive a Cadillac. All living is giving! It's not a sin to be poor, just mighty inconvenient at times. Give nothing, and get nothing!

Relationships – We all have them, for God made us as social creatures. Let's get the best out of them by ignoring the media and mastering God's instruction book on successful living.

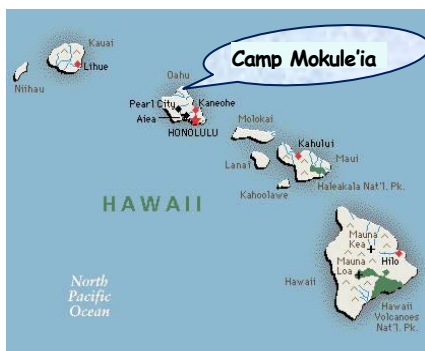

The conference begins on **Sunday, September 12th, 2010**. If you're planning to go directly to Camp Mokule'ia upon arrival in Honolulu, you'll be met at the airport and taken to the campground (no charge).

Transportation to HONOLULU INTERNATIONAL AIRPORT will also be provided at the end of camp on Friday, September 17th.2010.

COST: \$700 for the conference, 5 nights lodging, all meals.
